Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the documents listed on the attached Form PTO/SB/08 A & B (modified), which the Examiner may deem material to the patentability of the claims of the above-identified application.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; or (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after

In compliance with the concise explanation requirement under 37 C.F.R. §1.98(a)(3) for foreign language documents, Applicants enclose herewith a copy of an International Search Report (ISR) from the Japanese Patent Office (JPO) in a counterpart application (International Patent application No. PCT/JP2004/017795 filed November 30, 2004) citing such documents, together with an English-language version (if not already included) of at least that portion of the ISR indicating the degree of relevance found by the JPO.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
